

30 Day Warranty

Extreme-Fire warrants its items be free from manufacturing defects in workmanship and materials for a period of 30 days from the date of purchase. This warranty does not cover damage caused by improper installation, abuse, or physical damage.

These products assume the buyer is able to disassemble and reassemble the AEG and especially the mechbox fairly easily. Rewiring and soldering are needed for installation as well as some electrical and mechanical skills.

Note that disassembly of Arisoft guns generally voids the gun manufacturers warranties.

New unused items in their original condition may be returned for 30 days subject to a \$5 restocking fee.

Under no circumstances, shall *Extreme-Fire* be liable for any incidental, special or consequential damages that result from the use of these items.
